Notes:-

Mr Martin Johnson CBE

The SAS Resources Trust has issued an invitation to the legendary England 2003 World Cup Winning Captain, Mr Martin Johnson CBE to be part of the "Lets Talk Rugby" Panel.

Martin is now the Manager/Coach of the England Rugby Union team to tour Australia and we very much hope his Schedule allows him to attend the Breakfast.

If Martin is unavailable a senior Member of the England Rugby Union Touring party will attend.

Costs

After much consideration it has become necessary to raise the cost of the ticket to the Trust's "Lets Talk Rugby" Breakfast.

We hope you will understand the need for this. Your support of our Trust and the SAS Regimental family is sincerely appreciated and we hope this support will continue.
